Printed material is our backbone. Our study material is prepared by teams of experts keeping in view the interest of the learner group. Each course has a Course Expert Committee with distinguished academics and professionals involved in the course preparation. The course material is written in such a manner that the students can study it by themselves with a little assistance from our Counsellors at the Study Centres. Further, textbooks and reference books are available in the libraries attached to the Study Centre and Regional Centres. Therefore, students will have no need for any cheap or condensed guides for following courses of IGNOU. In fact, these may harm them. Hence, the University strongly advises the students not to take recourse to such type of guides.

Important Information

“The University sends study materials to the students by registered post and if a student does not receive the same for any reason whatsoever, the University shall not be held responsible for that.”

“Student can download a copy of the assignments from the IGNOU website: www.ignou.ac.in.”

“The students are specifically instructed to send Examination Forms and Registration / Re-registration Forms only at the respective Regional Centres and nowhere else. If any student sends the Registration/ Re-registration Forms, Examination Forms etc at the wrong place, other than the one specified and thereby misses the scheduled date and consequently a semester/year, he/she will have no claim on the University regularization. Students can also submit the forms online.”

Each study centre provides you with library, audio and video facilities to further help you in the learning process. Senior and experienced academics and experts in Tourism are engaged in face-to-face counselling at study centres. The study centres are generally located in existing educational institutions and normally function on holidays and Sundays and also in the evenings on working days. Each study centre is supervised by a Coordinator. Regional centres have been set up in different parts of the country to coordinate the functioning of study centres.

In recent years, tourism has developed as an industry employing a large number of people. Numerous operational areas in tourism also offer immense opportunities for entrepreneurs to establish their own business – big or small. Now-a-days there is an increasing popularity of

The University offers a lot of flexibility and openness in the courses and duration for the completion of programmes. You should take full advantage of this flexibility. Through proper planning you can finish this programme according to your convenience and within the stipulated time frame.

The University follows the credit system for its programmes. Certificate in Tourism Studies (CTS) is a 16 credit programme and thus, involves 480 hours of studies.

You can complete this programme in a minimum of 06 months and a maximum of 2 Years. Completion of a course means studying the course, clearing all the assignments and the Term End Examinations.

5. INSTRUCTIONAL SYSTEM

The methodology of instruction in this University is different from that in the conventional universities. The Open University System is more learner-oriented, and the student is an active participant in the teaching-learning process. Most of the instruction is imparted through distance rather than face-to-face communication. The University follows a multimedia approach for instruction. It comprises:

- self-instructional print material
- audio and video programmes available in cassettes
- Teleconferencing
- face-to-face interaction with academic counsellors at Study Centres
- assignments for assessment and feed back
- Video Programmes on Educational Channel Gyan Darshan
- Radio counselling through Yuva Vani and FM-2

5.1 Print Material and its Usage

Print material is the primary form of instructional material, although there will be a few audio-video-programmes and counselling sessions. Therefore, you have to concentrate mainly on the printed materials that we send to you. The printed material would be sufficient to prepare for the term end examinations.

The print material prepared by the University is self instructional in nature. Each course has been divided into a number of Blocks. Each Block consists of a number of Units (lessons). Normally, all the Units covered in one Block have a thematic unity. The first page of each Block indicates the contents of each Block' i.e., the number and titles of the Units covered in that Block. This is followed by a brief introduction to the Block. This Block Introduction explains the total coverage of the Block as a whole as well as the coverage of each Unit in that Block.

Each Unit is structured to facilitate self study by you. The section on **Objectives** briefly states what we expect you to attain when you have completed the Unit. In **Introduction**, there is an attempt to forge a link with the topics of the previous Units and the topic to be covered in the present Unit. This is followed by the main body of the Unit, which is divided into various sections and subsections. In the main body there are a few self-check exercises under the caption **Check Your Progress**. Enough space is given for you to write your answers to the questions set in the self-check exercises. Hints to these exercises are given in the section **Answers to Check Your Progress Exercises** at the end of the Unit. **The Check Your Progress Exercises are for your practice only, and you should not submit answers to these questions to the University for assessment.**

The section **Let Us Sum Up** summarises what has been said in the whole Unit. This summary enables you to recall the main points covered in the Unit. To facilitate comprehension, important words/terms covered in the Unit are explained in the section **Key Words**. Some books for additional reading are suggested in the section **Some Useful Books**. For your reference purpose some of these books may be available in the Study Centre.

Read the Units carefully and note down the important points. You can use the space in the margin of the printed pages for making notes and writing your comments. While reading the Units mark the words that you do not fully understand. Look for the meaning of such words under the section Key Words or in a dictionary. Read the Unit again and again until you have understood the point. However, if you still do not understand something, consult your counselor during the face-to-face sessions at the Study Centre for clarification.

Try to answer '**Check Your Progress**' questions. These exercises will help you to reinforce the information/knowledge you gain through your first reading of the text. Proper comprehension of the units and the points/notes made by you while reading through the Units would help you in answering the Check Your Progress Exercises given in the Units. Once you have written the answer in the blank space provided for each question, you can compare your answers with the answers given in the section 'Answers to Check Your Progress Exercises'. At the end of every block we have also given you some activities. In order to gain practical experience you must do them.

5.2 eGyanKosh

One of the world's largest repositories of educational resources – The IGNOU eGyanKosh (<http://www.egyankosh.ac.in>) is available for the learners and teachers, and public at large for free. The eGyanKosh houses the—in higher education self-learning material of around 2565 courses and over 2389 video programmes of IGNOU. The resources available on the

eGyanKosh can be accessed through Login ID and Password which need to be created by the user at the initial login. The IGNOU learners are encouraged to make use of these resources for their learning.

5.3 Audio-Video Material

The learning package contains audio and video CDs which have been produced by the University for better clarification and enhancement of understanding of the course material given to the learners. A video programme is normally of 25-30 minutes duration. The video cassettes are screened at the study centres during specific sessions which are duly notified for the benefit of the learners.

The video programmes are telecast on National Network of Doordarshan. All Gyan Vani stations are broadcasting curriculum based audio programmes. In addition, some selected stations of All India Radio are also broadcasting the audio programmes. Learners can confirm the dates for the programmes from their study centers. The information is also provided through the university website.

5.4 Interactive Radio Counselling

The University has started interactive counselling through AIR network all over India. You can participate in it by tuning in to your area Radio station. Experts from various discipline areas are available for this counselling. Students can put across their questions to these experts by using the telephone. The telephone numbers are announced by respective Radio Stations. This counselling is available on every Sunday between 4 and 5 in the evening.

5.5 Gyan Darshan

IGNOU in collaboration with Doordarshan now has an exclusive Educational TV Channel of India called Gyan Darshan. It is available through cable TV network. The channel telecasts educational programmes round the clock every day. Apart from programmes of IGNOU it will have educational programmes produced by various national education institutions. You should try to get access to it through your cable operator. The schedule of programmes with time and date is sent to all study centres one month in advance. Please obtain it from there. The schedule is printed in the Newsletter of the University six months in advance. All students will receive it twice a year.

5.6 Teleconferencing

To reach out to our students spread in different parts of the country we take the help of teleconferencing. These sessions are conducted from Delhi. The students can attend these at the regional centres and specified study centres of IGNOU. It is a one way video and two way audio facility. You will be sent a schedule with topics in advance through your study centres. The faculty at Delhi and other experts as resource persons participate in these sessions. You can put your problems and questions to these experts through the telephone available at receiving centres. These will help in resolving your queries related to courses and other general information pertaining to programmes of study.

5.7 Academic Counselling

In distance education, face-to-face contact between the learners and their tutors/counsellors is an important activity. The purpose of such a contact is to answer some of your questions and clarify your doubts which may not be possible through any other means of communication. It is also intended to provide you an opportunity to meet fellow students. Peer group interaction is extremely useful in distance learning. There are experienced academic counsellors at the

Study Centres to provide counselling and guidance to you in the courses that you have chosen for study. The counselling sessions for each of the courses will be held at suitable intervals throughout the academic session. **The counselling sessions are not compulsory.** However, they may be very useful in certain respects such as: to share your views on the subject with teachers and fellow students, comprehend some of the complex ideas or difficult issues, and get clarifications for your queries and discuss the **Activities** given in each Block.

Before you go to attend the counselling sessions, please go through your course material and note down the points to be discussed. Face-to-face counselling will be provided to you at the study centre assigned to you. You should note that the counselling sessions will be very different from the usual classroom teaching or lectures. Counsellors are not supposed to deliver lectures or speeches. They will try to help you to overcome difficulties (academic as well as personal) which you face while studying for this programme. In these sessions you must look into the subject-based difficulties and any other issues arising out of such difficulties. Besides, some of the audio and video CDs that are available at that time will be played in the counselling sessions. Try to get the maximum possible help from your counsellors.

Generally there will be 10 counselling sessions for an 8-credit course and 5 sessions for a 4-credit course. **The detailed schedule of the counselling sessions will be made known to you by the Coordinator of your Study Centre.**

5.8 Study Centre

To provide effective student support, we have set up a number of Study Centres all over the country. You will be allotted one of these Study Centres taking into consideration your place of residence or work. However, each Study Centre can handle only a limited number of students and despite our best efforts, it may not always be possible to allot the Study Centre of your choice. The particulars regarding the Study Centre to which you are assigned will be communicated to you. The list of Study Centres is provided in this Programme Guide.

Every Study Centre will have:

- A Coordinator who will coordinate different activities at the centre.
- An Assistant Coordinator and other supporting staff appointed on a part-time basis.
- Counsellors in different courses to provide counselling and guidance to you in the courses you have chosen.

A Study Centre will have six major functions:

- 1) **Counselling:** Face-to-face counselling for the courses will be provided at the Study Centres. Generally, as stated earlier, there will be 10 counselling sessions for an 8-credit course. The detailed programme of the counselling sessions will be sent to you by the Coordinator of your Study Centre.
- 2) **Evaluation of Assignments:** Tutor Market Assignments (TMA) will be evaluated by the Counsellors at the Study Centre.
- 3) **Library:** For each course some of the books suggested under 'Some Useful Books' are supposed to be available in the Study Centre Library. All audio and video CDs are also supposed to be available in the library.
- 4) **Audio-Video Facilities:** The Centres are equipped with audio-video facilities to help you make use of the audio and video CDs prepared for different courses.

- 5) **Information and Advice:** At the Study Centres you get relevant information regarding the courses offered by the University, counselling schedules, examination schedule, etc. You will also get guidance in choosing your courses.
- 6) **Interaction with Fellow-Students:** At the study centres you get an opportunity to interact with fellow students.

Please bring all your Units and list of issues to be discussed with your counsellor when you come for the counselling sessions.

5.9 Assignments

Detailed information about assignments would be provided in the next section on Evaluation.

5.9 Credit System

The University follows the 'Credit System' for its academic programmes. Each credit in our system amounts to 30 hours of study comprising all learning activities. Thus a four-credit course involves 120 hours and an eight-credit course 240 hours. This helps the student to understand the academic effort one has to put in to successfully complete a course. Completion of an academic programme (Degree, Diploma or Certificate) requires successful clearing of both the assignments and the term-end examination of each course in a programme.

5.10 Change of Medium

The Certificate in Tourism Studies Programme is offered by the University in both Hindi and English medium.

Change of Medium is permitted within 30 days from the receipt of first set of course material in the First Year only, on payment of Rs. 300/- plus Rs. 300/- per 2/4 credit course and Rs. 600/- per 6/8 credit course for undergraduate courses and Rs. 600/- per 2/4 credit course and Rs. 1000/- per 6/8 credit course for Master degree programme by a Demand Draft drawn in favour of IGNOU payable at New Delhi. The student is required to return-back the study material already received to Regional Director, concerned Regional Centre.

6. EVALUATION

The evaluation constitutes of two parts: 1) continuous evaluation through assignments, and 2) term-end examination. For the final result all the assignments of a course carry 30% weightage while 70% weightage is given for term-end examination. The following is the scheme for awarding divisions and grades:

Division	Percentage Range	Grade	Point Grade
I	80% and above	A – Excellent	5
	60% to 79.9%	B – Very Good	4
II	50% to 59.9%	C – Good	3
Pass	40% to 49.9%	D – Satisfactory	2
Unsuccessful	Less than 40%	E – Unsatisfactory	1

You are required to score at least 40% marks in both continuous evaluations (assignments) as well as the term-end examination separately in all the CTS courses. In the overall computation also **you must get at least 40 marks in each course** to claim the Certificate in Tourism Studies.

Assignments

Assignments constitute the continuous evaluation. The submission of assignments is compulsory. The marks that you get in your assignments will be counted in your final result. Assignments of a course carry 30% weightage. Therefore, you are advised to take your assignments seriously. A simple omission on your part may cause an irreparable loss to you.

You will not be allowed to appear for the term-end examination for any course if you do not submit the specified number of assignments in time for the course.

The main purpose of assignment is to test your comprehension of the learning materials you receive from us and also to help you get through the courses. The evaluators/counsellors after correcting the assignments send them back to you with their comments and marks. The comments guide you in your study and help in improving it. The content provided in the printed course materials should be sufficient for answering the assignments. Please do not worry about the non-availability of extra reading materials for working on the assignments. However, if you have easy access to other books, internet, you may make use of them. The assignments are designed in such a way as to help you concentrate mainly on the printed course materials and exploit your personal experience.

Tutor Marked Assignments should be submitted to the Coordinator of the Study Centre assigned to you. After evaluation these tutor marked assignments will be sent back to you with comments and marks.

- Always make two copies of your assignments and keep one with you. Also take a receipt from the study centre on submission of the assignments.
- The University/Coordinator at the Study Centre has the right to entertain or reject the assignments submitted after the due date. Hence, to avoid inconvenience submit the assignments well in time. Remember to collect the evaluated assignments and assessment sheet as the same will help improve your performance in the future. Keep a proper record of all the assignments submitted and evaluated. You may require them in case any problem arises.

If you do not get pass grade in any assignment, you have to submit it again. However, once you get the pass grade in an assignment, you cannot re-submit it for improvement of grade. Assignments are not subject to re-evaluation except for factual errors, if any, committed by the evaluator. The discrepancy noticed by you in the evaluated assignments should be brought to the notice of the Coordinator of the Study Centre, so that the correct score is forwarded by him to the Student Evaluation Division at Headquarters.

Do not enclose or express doubts for clarification if any about study material or assignment along with the assignment. Send your doubts in a separate cover to the Programme Coordinator – CTS, School of Tourism & Hospitality Services Management, IGNOU, Maidan Garhi, New Delhi - 110068. While answering an essay type question give adequate attention to introduction and conclusion. The introduction must offer your brief interpretation of the question and how you propose to develop it. The conclusion must summarise your response to the question. Make sure that the answer is logical and coherent, and has clear connections between sentences and paragraphs. The answer should be relevant to the question given in the assignment. Make sure that you have attempted all the main points of the question. - 5) Use only foolscap size paper for your response and tie all the pages carefully. Avoid using very thin paper. Allow a 4 cm margin on the left and at least 4 lines in between each answer. This may facilitate the evaluator to write useful comments in the margin at appropriate places.

- 12) In case you have requested for a change of Study Centre, you should submit your Tutor Marked Assignments only to the original Study Centre until the change of Study Centre is notified by the University.
- 13) If you find that there is any factual error in evaluation of your assignments, e.g. any portion of assignment response has not been evaluated or total of score recorded on assignment response is incorrect you should approach the Coordinator of your study centre for correction and transmission of correct score to headquarters.

Credit Transfer and Exemption

The credit transfer scheme is applicable only to those candidates who have not completed their degree from any other recognised University yet willing to complete through IGNOU as per rules provided.

In this regard definitions of certain terms are given below:

- 1) Credit transfer will be permissible only in the case of students coming from institutions established by an Act of Parliament or by an Act of State Legislature; or an accredited institution “deemed to be university” or an “institution of national importance” or institutions recognised by statutory bodies like AICTE, ICMR, ICAR, CSIR etc.
- 2) School means the School of Studies of IGNOU.
- 3) One Credit means a unit of study equivalent to thirty study hours (this includes all learning activities, such as reading and comprehending the course material, doing self check exercises and assignments, listening to the audio programmes and viewing of video programmes related to the course, supplementary reading and attending tutorials).
- 4) Credit transfer means allowing a student of another university to get admitted to IGNOU for completing any equivalent degree/diploma programme on the basis of credits obtained by him/her from that University. A student thus admitted need to write IGNOU examinations for such courses which are found equivalent to and for which appropriate credits would be deemed to have been acquired for and purposes for fulfilling the IGNOU requirements for award of a degree/diploma.

Modalities of Credit Transfer

- 1) Normally credit transfer will be applicable only from a diploma, bachelor’s degree, master’s degree to an equivalent diploma, bachelor’s degree.
- 2) Credit transfer is permissible only in the case of students coming from accredited institutions.
- 3) Credit transfer can be done only on the basis of individual courses and not on the basis of year to year courses as in conventional institutions.
- 4) In order to get a diploma/degree from IGNOU a student will be required to earn at least 50% credit from IGNOU.
- 5) The degree certification or the marks list thus given to the students will specifically indicate the credits earned in IGNOU and those obtained from other institution.
- 6) Those students who have done TS-1 and TS-2 in CTS have to write to the Registrar, SR Division for getting these credits transferred to DTS or BTS. Same is applicable for any other course done from IGNOU which forms part of the BTS programme.

Under these rules IGNOU “programmes” and “courses” means “Courses” and “Subjects” or “Papers” respectively of the conventional Universities. Students seeking Credit Transfer and Exemption should apply individually to the Registrar (SR Division), IGNOU, New Delhi enclosing attested copies of mark sheet and syllabus of the courses covered by them. Such

cases will be examined separately by the Equivalence Committee of the University. The process will take a minimum period of three months from the date of receipt of such requests with all relevant documents.

Tourism has been acknowledged as one of the most rapidly growing industries in recent years. Yet it has not received adequate attention as an academic discipline which it rightly deserves. This course has been designed with objective of making up for this lacuna by introducing to you some foundational concepts of tourism studies. The emphasis here has been on the situation prevailing in India, though we have not been unduly in different about borrowing concepts and terms from similar studies undertaken in other parts of the world. You will thus find details on the historical evolution of tourism along with core definitions of tourism industry in this course. Tourism services and operations, planning and policy, and marketing and communications form other Blocks of the course. In this course, as is evident from its title, our main concern is with the products and operations of tourism development in India. It should be understood clearly that the diversity in the eight Blocks that comprise this course is not suggestive of any conceptual delineation. Since tourism studies consist of a variety of themes having backgrounds in fields such as history, sociology, economics, marketing or geography, it is logical to accept contributions from each and attempt a synthesis within the ambit of tourism studies. We provide you with an understanding of the tourists and hosts in the beginning and switch over to a discussion on the role of the guides and escorts in tourism industry. This is followed by two different kinds of case studies, viz, products and operations and promotional skills. In the end we have included a few experiences of professional bodies involved with tourism industry for long.
