Dear Student,

We congratulate you upon your joining our academic programme, namely, POST-GRADUATE CERTIFICATE IN ADULT EDUCATION (PGCAE). By enrolling into PGCAE programme you have become a student of IGNOU, the largest mega University in the democratic world. IGNOU offers educational programmes through open and distance learning (ODL) mode, among others. It is quite likely that you are getting this first ever experience as a distance learner. We, as distance teachers are, in fact, physically at a distance from you, but as far as the teaching-learning activity is concerned we are very close to you and always with you in the form of our material and other services. So, you can have smooth journey through the programme. To start with, read this 'Programme Guide' thoroughly, keep it handy and safe with you, and refer it as and when you get any doubt about progressing further in this programme. By following this Programme Guide you will not only feel comfortable but also be able to manage your programme related activities very easily.

In course of your journey, you will notice that IGNOU is a university with a difference. Unlike conventional universities/institutions where teaching and learning take place mostly through face-to-face mode, IGNOU adopts a multi-media approach to facilitate teaching-learning activities. You will find that the printed self-learning material is the master medium of our instruction. It is supplemented with audio and video programmes. Further, you will also benefit from the face-to-face mode of interaction during counselling sessions organised at the Programme Study Centre. Besides these, the assignments submitted by you will be evaluated and you will receive feedback from the evaluators. Thus, you will realise that there are multiple modes which provide diverse opportunities for your interaction as well as facilitate your smooth progress through the programme.

PGCAE programme would provide you comprehensive exposure to theoretical and practical aspects, processes, issues, activities, etc of adult education. The programme will equip you with necessary knowledge, understanding, skills, attitudes and competencies that will help you build your capacity to participate in adult educational activities, enable you to carry out professional tasks and roles, and facilitate you in managing and disseminating information through social and professional networks at local and national levels.

The information presented in this booklet, i. e. Programme Guide, will help you in organising and systematising your study in respect of various components and stages of the programme. This Programme Guide provides you important information about the programme as a whole, viz., its objectives, structure, mode of delivery, programme schedule, counselling sessions, assignments, practical work, evaluation, etc. It is expected that you will preserve this Programme Guide till you complete the programme as this Guide will help you clarify your doubts at different stages during the course of your academic journey through this PGCAE programme.

With best wishes,

Programme Coordinator, PGCAE and
Members of faculty of School of Extension and Development Studies, IGNOU.

Course MAEL-002 Practical Work: Community-based Practical Activities (Student's Handbook for Practical Activities)

When you enrolled as a student of PGCAE, you might have been an un-employee or an employee (in-service) in adult education/allied areas or different areas. Thus, you are a member of particular community where you are living and/or working. On the premise that being a member of the community and the student of PGCAE you can perform certain activities in the community and for the community, you are required to undertake or perform adult education activities in the community and for the community. The practical work of this course, thus, attempts to provide suitable opportunities for development of necessary skills, competencies and abilities required by you, as an adult educator, for working with the individuals, the groups, the institutions and the community as a whole. These practical activities are suitably organised to provide you adequate experiences in this regard. The practical work is based on or related to the subject content presented in the theory courses and prescribed practical activities will be performed by each student in the community where (s)he lives and/or works. The details about conduct of these activities are presented in the form of PGCAE “Student’s Handbook for Practical Work”, which contains self-sufficient, self-explanatory and self-instructional material. After going through the same, you will get self-oriented and self-trained to perform these activities. However, you will perform these activities under the help and guidance of the mentor(s) chosen by you.

3. INSTRUCTIONAL SYSTEM

As mentioned earlier, the Open University (IGNOU) system is different from that of any conventional University. This system is more learner-oriented or learner-centred. In this system the learner is an active participant in the teaching-learning process. Most of the instruction is imparted through distance modes of communication rather than face-to-face modes of

communication. The University follows a multi-media approach for instruction. So, the instructional system of PGCAE of IGNOU also follows multi-media approach i.e. self-instructional print material, audio-video programmes, assignments, face-to-face counselling sessions / contact sessions, practical work, teleconferencing and Interactive Radio Counselling, among others.

3.1 Self-instructional Print Material

The print material is written in self-instructional style. It is in the form of Blocks (booklets) specially prepared for theory and practical courses of the programme. Each course has a specific code number assigned to it. It is supplied to each learner along with a set of assignment questions. The learner has to complete the required assignments related to each course. Each course may have 3-5 Blocks and each block may have 3-6 Units in general. The printed material for practical course of the programme is available in the form one booklet, “Student’s Handbook for Practical Work”.

3.2 Audio-video Programmes

The learning package also contains audio-video programmes which are produced by the University for clarification, supplementing and enhancement of understanding of the course material given to the student. These programmes are normally of 25-30 minutes duration. Some programmes depending upon the need may be upto one hour duration. These are used at the Programme Study Centres during counselling sessions which are duly scheduled and notified by the Programme In-charge/Co-ordinator of Programme Study Centre for the benefit of the students. While the audio programmes are yet to be developed, following are the titles of video programmes made for PGCAE programme. 1. *Adult Education: The Basic Concept, Objectives and Features* (MAE-001 – 41mts/58secs), 2. *Concept, Scope and Features of Distance Education* (MAE-001 – 41mts/12Secs), 3. *Philosophy and Sociology of Lifelong Learning* (MAE-001 – 30 mts/7secs), 4. *Role of Information and Communication Technology in Lifelong Learning* (MAE-001 – 30mts/11secs), 5. *Participatory Research* (MAE-002 – 44mts/23secs), 6. *Creating a Literate Environment* (MAE-002 – 25mts/7secs). The video programmes are also telecast on National Network and enrichment channel of Doordarshan. Similarly, the audio programmes when produced are also broadcast by the selected stations of All India Radio. Learners can confirm the dates of the programmes from their Study Centres. The information is also provided through the National Newspapers and IGNOU Newsletter sent to the students periodically.

3.3 Assignments

Assignments are an integral and compulsory component of the instructional system. There is one tutor-marked assignment for each theory course. Students will have to work on these assignments. Each student should go through the relevant details given about assignments in this Programme Guide and submit the assignment responses to the Coordinator/Programme In-charge of the Programme Study Centre in accordance with the given assignments’ submission schedule.

There will be one assignment for each course. The assignment will have questions of three types as follows.

- i) Question requiring long/essay type answer.

- ii) Questions requiring short answers.
- iii) Question requiring reflective/practical/application-oriented answer.

3.4 Counselling Sessions

Normally the counselling sessions are held at the Programme Study Centres as per the schedule drawn and notified by the Coordinator/Programme In-charge of the concerned Centre. Counselling sessions for theory courses as well as the practical course are organised for the benefit of the students. They are mostly held on weekends (i.e. Saturdays and Sundays) as per the convenience of the host institution where the Study Centre is located. However, if the number of students for the programme at a programme study centre falls below 10 (ten), then the counselling and support services may be handled by a Distance Learning Facilitator or the programme coordinator or the faculty of the School concerned or through an appropriate alternative arrangement that may be made therefor.

3.5 Teleconferencing

Teleconferencing sessions are conducted via satellite through interactive Gyan Darshan Channel from the University studios at Electronic Media Production Centre (EMPC) as per the schedule made available to the Regional and Programme Study Centres. Teleconferencing is an effective means of interaction between the learners, experts and others concerned with the programme. It provides an interesting opportunity to the students to interact with the faculty members at the headquarters, and other experts/ eminent scholars in the field. The learners will have to go to the nearest reception centre at the scheduled time for taking the benefit of this facility.

3.6 Interactive Radio Counselling

Interactive Radio Counselling is a recent concept in distance learning in India. Live counselling is provided on radio by invited experts for an hour on Sundays from different radio stations in the country. Students can ask questions right from their homes through telephone by availing the facility of toll free telephone number 1800112345 provided for this purpose from selected cities.

3.7 Practical Handbooks

Community-based practical activities under the Practical Course MAEL-002 are to be performed or carried out by each student in the community where he/she lives/works. There are two specially prepared Handbooks — “Student’s Handbook for Practical Work” and “Resource Persons’ Handbook for Practical Work”. The former (i.e. “Student’s Handbook for Practical Work”) provides self-orientation and self-training to the students for performance of the prescribed practical activities and to those involved in mentoring/guiding/facilitating the students in performance of the relevant practical activities. The latter (i.e. “Resource Persons’ Handbook for Practical Work”) provides self-orientation and self-training for the resource persons involved in evaluation of the student’s reports of the relevant activities. These handbooks, thus, provide complete information about the practical activities of the programme, the roles and responsibilities of the learners, the resource persons and other personnel involved in facilitating and evaluating the practical activities of the students.

3.7.1 Performance of Practical Work

On the whole, a student is expected to perform 3 credits (approximately 90 hours) worth practical activities. As per his/her choice and requirement he/she will identify the mentor(s)/guide(s)/facilitator(s) who can guide and help him/her in performing / conducting the specified activities. The mentor(s)/guide(s)/facilitator(s) may be from the community where the student lives/works or from his/her neighbourhood community or from the local institutions (formal/non-formal).

The details of these activities are given in the PGCAE “Student’s Handbook for Practical Work”. Each student prepares a report of each of the specified activities. The reports of practical activities will be evaluated by the concerned resource personnel at the Programme Study Centre and the details in this regard are given in the “Resource Persons’ Handbook for Practical Work”.

The services of the Regional Centres of IGNOU can be utilised by the Programme Study Centres and students as and when required in respect of any matter related to PGCAE programme. In order to provide effective support services to the students regarding the theory and practical work, IGNOU has set up a number of Programme Study Centres all over the country. So, the detailed particulars regarding Programme Study Centres to which you are attached will be communicated to you by the Regional Centre concerned. But, you will have to manage your own resources to reach Programme Study Centre to avail the services provided by it regarding the programme.

6. EVALUATION

The scheme of evaluation of student's performance in the theory courses and the practical course of PGCAE is as follows.

Theory Courses: For theory courses, evaluation comprises three aspects:

- a) Self-evaluation exercises (non-credit) within each unit of study material.
- b) Continuous evaluation in the form of compulsory assignments. One assignment for each course. This carries a weight(age) of 30% of total evaluation for each course.
- c) Term-End Examination has a weight(age) of 70% of total evaluation for each course. Term-end examination will be held in June/December every year.

In order to successfully complete a theory course, the student must obtain at least 'D' grade in the assignment and 'D' grade in the Term-End Examination (TEE) separately in each course. However, overall average of grades in Continuous Evaluation (CE) and Term-End Examination (TEE) in each theory course should be at least "C".

Practical Course: There is one practical course. It comprises the Community-Based Practical Activities. The evaluation of student's performance in these activities is done on continuous and comprehensive basis and the final grade is awarded at the end of the Course. There is no TEE for the practical course (i.e. MAEL-002). In the practical course (MAEL-002) the minimum qualifying Grade is "C".

If a student has missed any term-end examination of a course for any reason, s/he may appear in the subsequent term-end examination. This facility will be available until a student secures the minimum pass grade, but only up to maximum duration / period of two years from the date of registration to the programme.

Letter grade system is used for grading continuous and term-end examination (TEE) components and declaring the result. The Course Grade is awarded on the 5 point scale in terms of the following range.

Letter Grade	Qualitative Level	Grade Points	Average Grade Point Range	Percentage Equivalent
A	Excellent	5	4.50 & above	80% and above
B	Very Good	4	3.50 to 4.49	60% to 79.9%
C	Good	3	2.50 to 3.49	50% to 59.9%
D	Satisfactory	2	1.50 to 2.49	40% to 49.9%
E	Unsatisfactory	1	1.49 & below	Below 40%

For successful completion of PGCAE programme, the student must get at least 'C' Grade in each of the theory courses and the practical course separately.

7. GENERAL INFORMATION ABOUT ASSIGNMENTS

Submission of Assignments

The purpose of our asking you to work on the assignments is to provide you an opportunity of articulating your assimilated knowledge and understanding into written form and also to test your capacity of transferring the theoretical learning from the courses to practical situations. Thus, the assignments practically enhance your understanding as well as skills of articulation and expression in writing. There is one assignment for each theory course. The answers to assignment questions are to be based on your own judgement and experiences as a student of adult education. You should not reproduce the text materials or copy the information from other sources. However, you may use the course material and any other sources of information you have for ready reference. But, the answer should be in your own words and should reflect your own ideas. You do not have to worry about non-availability of extra reading materials for working on the assignments. They are designed in such a way as to guide you to integrate the knowledge of the course materials with your concrete personal experiences. Please note that your assignment responses carry 30% weight(age) towards the final evaluation of each theory course and submission of related assignment responses is a pre-requisite for appearing in term-end examination (TEE) for respective theory courses. If you do not complete the assignments according to time schedule of assignments of the relevant academic session, then you have to attempt the assignment questions of the next session and submit the assignment responses according to the schedule of that session. You have to send the assignment-responses to the Programme Study Centre you are attached to as per schedule (See the assignments submission schedule given in this booklet).

The following points should be kept in mind while you prepare and submit the assignment responses:

- 1) Write your enrolment number, name, full address and date at the topmost right hand corner of the first page of your assignment response (Leave the topmost left-hand corner blank for office use).
- 2) Just below that, in the centre at the top portion of the first page of your response, write the course title, course code, assignment code, academic session and year in capital letters. After that, the top of the first page of your assignment response should look something like this:

Enrolment No.:

Name:

Address:

.....

Date:

Course Title:

Course Code:

Assignment Code:

Academic Session & Year:

(Please follow the above format strictly and it is in your interest only. If you do not write your enrolment number, address and other required details, your assignment-responses are likely to be useless and do not serve any purpose).

- 3) The assignment-response should be complete in all respects. Don't send piece-meal responses or incomplete response to any assignment question. Incomplete responses to any assignment question will bring you poor grades.
- 4) Use only A-4 size paper for your responses. Use ordinary writing paper, not the very thin variety.
- 5) Leave about 2" margin on the left, and at least 4 lines space in between two answers to the questions of given assignment of a course. This will enable the resource person evaluating the response to write useful comments at appropriate places.
- 6) Make sure that you answer the questions on the basis of the Units sent to you. Make the answer concise, precise and systematic. Always focus on the question and its various aspects, and try to avoid irrelevant details.
- 7) Take care of the word limit, wherever specified in the assignments. Please stick to the word limit as far as possible. At the same time, make the descriptions adequate and not too short. The word limit is set to sharpen the focus of your responses and not to restrict your expression.
- 8) You have to write the answers in your own handwriting. If you feel that your handwriting is not properly legible, you may send the typed responses.
- 9) You should not send printed articles as your answers to the assignments.
- 10) Remember that if any two or more answers to a particular assignment are found to be identical or very similar, then it is entirely the discretion of the evaluator either to return it unmarked/unevaluated or to ask you to re-do the assignment or give very low grade.
- 11) Please submit the assignment responses by the specified date to the Programme-In-charge/ Coordinator of the concerned Programme Study Centre. If the last date for submission of the assignment falls on a holiday, the assignment response should be submitted on the following working day.
- 12) Please keep a copy of the assignment responses that you submit. You may need the same in case you have to resubmit it in situations such as the same is lost in postal transit or for whatever other reasons, or if you get low grade and have to rewrite and submit it again.

Some Do's and Don'ts about writing assignments

Do's

- When you receive the despatch(s) of the set of printed materials, course units and assignments, check them immediately and ask for the missing Blocks, Unit(s), booklet(s), page(s), if any. You can use the format given in **Appendix-III(1)** to write to the concerned Regional Centre in this regard. You can give proper feedback even to the School of Extension and Development Studies of IGNOU. For this, you can use the formats given in **Appendix-III(2)**. If you wait till you start writing answers to the assignments, you will lose valuable time.

- Send the assignment responses giving your enrolment number, name, address, title of the course, course code and number of the assignment. Write your enrolment number correctly. An incorrect enrolment number will put the University and you to trouble.
- Maintain copies and an account of assignment responses sent by you to the concerned Programme Study Centre as well as the corrected/evaluated responses received back by you. This will help you to maintain the schedule of your work and progress and to avoid any difficulties and disappointments caused by unintended gaps in communication. You can use the format in **Appendix-III(3)** for your own monitoring of your assignment responses.
- Monitor your progress regarding the practical work. Maintain proper record of the practical activities completed by you. You can use the formats in **Appendix-III(4)** till you complete 3 credits worth practical activities.
- Do your work regularly. You should remember that by working regularly you get a chance to do better in later assignments because you can benefit from the comments received by you on your previous assignment responses.
- Before you write to us seeking answers to your queries, do read this Programme Guide carefully and completely. We may have already answered your query/queries. Do follow our instructions carefully.

Don'ts

- Do not write your assignments on thin paper.
- Do not write your enrolment number, course title, etc, on a separate sheet and then paste/pin/tie it to the assignment responses. Write the enrolment number, name, etc as indicated on the top of first page of your assignment response itself.
- Do not over-write, particularly while writing your enrolment number, course code and the assignment code/number. Let these be very distinct and clear.
- Do not misplace/lose your graded assignment-responses. You will need them till the programme is completed by you.
- Do not enclose doubts, letters, etc, if any, for clarification along with the assignment responses. In case you want to draw our attention to something of urgent/important nature, send it in a separate cover.
- Do not lift paragraph(s)/sentences ditto from the text of any source without giving the reference while answering the assignments.

Assignment Submission Schedule for PGCAE

Assignment submission schedule will help you to complete the assignment in time if you start working on the assignments as soon as you get the printed course material. You should pace out your work in such a way that all the assignment responses are submitted by the dates specified in the schedule given below:

Last Date of Submission	Course Code	Assignment Code
For the students enrolled for July Session		
By the end of September	MAE – 001	01-Jul: MAE– 001
By the end of October	MAE – 002	01-Jul: MAE– 002
For the students enrolled for January Session		
By the end of March	MAE – 001	01-Jan: MAE– 001
By the end of April	MAE – 002	01-Jan: MAE– 002

Please note:

- a) There is one assignment for each theory course. So, there are total of two assignments for two theory courses offered to you.
- b) The assignment responses may be submitted by hand at your Programme Study Centre (PSC) or send them by registered post / speed post to the Coordinator / Programme In-charge of PSC.
- c) If the last date for submission of the assignment falls on a holiday, the assignment response should be submitted on the following working day.
- d) You should retain a copy of all your assignment responses that you submit.
- e) It is essential and in your own interest to keep the acknowledgements of assignments submitted by you by hand or the postal receipts of your assignments sent by registered / speed post, as the case may be. Remember that you need these acknowledgements/receipts as proof, since a copy of the same is to be attached while submitting your examination form for the term-end examination.

8. TERM-END EXAMINATION

As stated earlier, term-end examination (TEE) is another component of the evaluation system. TEE carries 70% weight(age) in the scheme of evaluation for the final result of each theory course of PGCAE.

The University conducts term-end examination (TEE) twice a year i.e. in June and in December of every year. But, the students are eligible to appear in the TEE of relevant programme only after completion of its prescribed minimum duration, and after fulfilling certain conditions and formalities. **For instance**, if you are enrolled for the PGCAE programme for the academic session commencing from July of a given year you will be completing minimum duration of six months by December of that year. So you can take your term-end examination (TEE) in December of that year (i.e. after completion of prescribed minimum duration of six months of PGCAE programme) and after you fulfill the prescribed conditions and formalities. Similarly, those enrolled for the PGCAE programme for the academic session commencing from January of a given year will be eligible to appear in June TEE of that year. In case you fail to get a pass score (D grade) in the TEE, you will be eligible to re-appear in the next TEE for that course, till the final span of the programme i. e. prior to completion by you of the maximum duration of two years from the date of your admission / registration to the programme.

To be eligible to appear at the term-end examination (TEE) in any course, you are required to fulfill the following three conditions/formalities.

- 1) You should have pursued the prescribed courses.
- 2) You should have completed or submitted the assignment responses for the respective course(s).
- 3) You should have submitted the examination form in time for the given term-end examination.

Examination date-sheets (schedule which indicate the date and time of examination for each course) are sent to all the programme study centres approximately five months in advance. The same is also notified through the IGNOU Newsletter from time to time. Thus, normally, the date-sheet for June term-end examination is sent in the month of January and for the December term-end examination it is sent in the month of July of the given year.

It is a pre-requisite to submit the Examination Form with a fee of Rs.60/- per course in the form of demand draft drawn in favour of IGNOU and payable at New Delhi or at the city where the concerned Regional Centre to which you are submitting your form is located. Copies of the examination forms are available at Programme Study Centres, Regional Centres, and Student Evaluation Division at the Headquarters at New Delhi. The form can also be downloaded from IGNOU website: www.ignou.ac.in. A specimen copy of the Examination Form is given at the end of this programme guide (See **Appendix – IV**) for your information and reference only.

Only one form is to be submitted for all the courses you are appearing in one term-end examination.

- Normally your Study Centre is the Examination Centre. In case you wish to take examination at a particular centre, the code of your chosen centre is to be filled up as Examination Centre Code. However, if Examination Centre chosen by you is not activated, you will be allotted any other Examination Centre under the same Region.
- Change of Examination Centre, once allotted, is not permissible under any circumstances.

The filled-in examination form is to be submitted to the concerned Regional Centre under which your examination centre falls. The dates for submission of Examination Forms are given below.

For June TEE	For December TEE	Late fee	Address, where Exam Form is to be sent / submitted	Remark
1st March to 31st March	1st September to 30th September	NIL	Regional Director of the concerned Regional Centre under which your examination centre falls	Examination fee @ Rs.60/- per course in the form of Demand Draft drawn in favour of IGNOU and payable at the city of the concerned Regional Centre to which you are submitting your application form \$
1st April to 20th April	1st October to 20th October	Rs.300/-		
21st April to 30th April	21 st October to 31 st October	Rs.500/-		
1 st May to 15 th May	1 st November to 15 th November	Rs.1000/-		

\$ The student is required to mention his/her name, enrollment number and programme code on the backside of the demand draft.

Note: The dates for submission of Examination form, Examination fee/late fee and format of Examination form are subject to change. Students may visit University Website for details before submission of forms. Students may appear in term-end examination at the centre of their choice by filling up the code of that study centre in the box of examination centre code in the examination form. They are advised to go through the list of study centres available in the 'Programme Guide' for opting the centre of their choice and also see the website: www.ignou.ac.in. If the centre opted by them is not established as examination centre or not allotted for any reason, they will be allotted alternative examination centre.

Your enrolment number is your roll number for the examination. Be careful while writing it. Any mistake in writing the roll number will result in non-declaration of your results.

It is your duty to check whether you are registered for the particular course and whether you are eligible to appear for that examination or not. If you neglect this and take the examination without being eligible for it, your results will be cancelled.

To avoid discrepancies in filling up examination form or to avoid any hardship in appearing in the term-end examination, the students are advised:

- to remain in touch with their Study Centre/Regional Centre/Student Evaluation Division for change in schedule of submission of examination form/fee;
- to fill up all the particulars carefully and properly in the examination form to avoid rejection/delay in processing of the form; and
- to retain intact the proof of mailing/submission of examination form till they receive examination intimation slip.

Issue of Examination Intimation Slip: University issues Examination Intimation Slip to the students at least 2 weeks before commencement of the term-end examination and also uploads the information at the University's website: www.ignou.ac.in. If they do not receive Examination Intimation Slip within a week before commencement of the examination, they may download the Examination Intimation Slip for the examination from the website.

9. SOME GENERAL INSTRUCTIONS AND OTHER IMPORTANT POINTS

General Instructions

In addition to the above, keep in mind the following general instructions.

- 1) Please keep this Programme Guide handy and file all letters that you receive from the University from time to time. A record of your progress is maintained at our office in Headquarters.
- 2) Do write to us if you have any difficulty or problem while working through the programme. If there is any change in your address, remember to intimate the relevant authority sufficiently in advance. This will help the concerned official to send your course material, any information and letters promptly, without any delay or the risk of their being lost.

- 3) All types of communications are attended to as quickly as we can. It is, however, desirable that you make your letters brief and precise. If your letters present irrelevant detail and/or are written in ambiguous language, our responses to your queries will invariably get delayed.
- 4) Keep a time-table or schedule for yourself and always try to stick to it. Be regular in your work; much of your job will become easy. However, at times, you may have to change your own time-table suitably to adjust yourself to any unforeseen difficulties, such as illness, official duties, various social obligations, etc. By doing so, you will save yourself from unexpected delays and forced/unwanted postponements. But, the golden principle is to do today what you may have planned to do tomorrow.
- 5) When you read the Booklets/Units carefully, note down the important points. You can use the space in the broad margins of the pages for making notes and writing your comments. Try to answer 'Check Your Progress' questions. Please remember that the answers to these questions are not to be sent to us. The purpose is to enable you to evaluate your own performance while reading and to keep you on the right track. That is why they are called 'Self-Check' questions. They will enable you to realise whether you have comprehended what you have read. If you are not satisfied with your answers, do not get disappointed. You can compare your answers with those given under "Answers to Check Your Progress" section and see where improvement is needed. They will help you reinforce the information/knowledge you gain through your first reading of the text. At times, it is possible that you might have done a better answer than the one we presented. We welcome your suggestions, if any, in this regard.
- 6) Besides the printed materials, the other inputs available to you are audio-video programmes, counselling sessions for theory and practical activities. All these together will help you in writing your assignments, doing your practical activities and preparing for the final examinations.

The university reserves the right to change the rules or guidelines detailed in this Programme Guide. However, you will be informed about the important changes, if any, well in advance.

Other Important Points

After you complete reading of this Programme Guide and the courses MAE-001 and MAE-002 and before you start doing your practical activities, please read thoroughly the practical course MAEL-002 "Practical Work: Community-based Practical Activities" which is given in the form of Student's Handbook for Practical Work. This Handbook is your real and timely guide that helps you in performing your practical activities. The points given below present a crisp and cursory view of practical clues.

- It is compulsory that you have to perform the prescribed community-based practical activities. You can have a mentor/guide/facilitator of your choice. He/she could be any resourceful person available in your community, neighbourhood community or in any community level institution (Formal/Non-formal) in your area or any functionary of adult educational, development or welfare programmes being implemented in the community, among others. The person should be at least a Bachelor's Degree holder in any discipline if she/he is a field functionary of an adult education programme or working with any non-formal education institution. If the person is an unemployed member of the community or is working with

It is up to your convenience, comfort and possibility to identify a mentor for more than two or many of the community-based practical activities. More details about the mentor are given in the practical course MAEL-002. You can use the formats given in **Appendices -- III(4a)** and **III(4b)** to monitor your practical activities.

- At the PSC the counselling and other services are provided to you by the Academic Counsellors/Resource Persons who are required to possess suitable qualifications.
 - a) He/she is a person either in service or retired as a member of faculty / academic staff of any:
